The GIM's management hearing program has been adjusted

The General Inspectorate for Migration is meeting the needs of the beneficiaries in order to improve the dialog with the local community and foreigners throughout the country.

The hearing hours of the GIM's management including those of the regional directorates have been extended. We invite you to book an appointment to discuss any concerns and suggestions and to help us continuously improve the quality of our services.

For details on the updated program, please visit the igm.gov.gov.md website under CONTACT.

The General Inspectorate for Migration remains on duty through transparent dialog and inclusive communication for all members of the community.
